Commander's Corner

Well, here we are and it is February already. Time

does really fly by. January was a great month for the Post, with many activities including a fantastic New Years Eve party hosted by the American Legion Auxiliary, really good Wednesday night dinners provided by the American Legion Family organizations, successful Friday night dinners, and great turn out for our annual Early Bird dinner.

As we begin the month of February, we continue to look forward to our Wednesday night dinners and the new addition of hamburgers, cheeseburgers and pizzas on Saturday and Sundays from 12 noon until 3 pm. And of course, VALENTINE'S DAY on February 14th we will have a lunch special along with a special drink for our ladies at the bar. Please note that the post will not have Saturday night dinners in February due to our dining room

being rented on two Saturday nights and our monthly Saturday fun night.

On behalf of your Executive Board, thank you for your continued support.

For God & Country
Evans Kayser
Post Commander

As most of you already know Post 178 is the largest membership Post in South Carolina, with that in mind if you know a veteran that falls into the conflict eras invite them down to the Post.

Ronald McDonald's house in Charleston is collecting the pop a top tabs on soda and beer cans. Save them and bring them to the Post and leave them for Lynn Faulds and she'll bring them down...
